

CHLOE

The wolf the crocodile and the wicked witch
All came out of their hole where they lived in a ditch
They came out of their hole to fetch the poor Chloe
Because they had been told that she was being naughty

CHOIRS : They came out of their hole
To fetch the poor Chloe
Because they had been told
That she was being naughty

The wolf he was the first he showed her his white teeth
He said my dear Chloe you really give me grief
Caus' though you seem so nice I have to take a bite
I'll gobble you all up and you can't make me stop

CHOIRS : Caus' though you seem so nice
I have to take a bite
I'll gobble you all up
And you can't make me stop

Crawling out of the pond came out the crocodile
Who then began to cry but with a silly smile
I'm coming to eat you I'll get you with a snap
Chloe don't be afraid come sit upon my lap

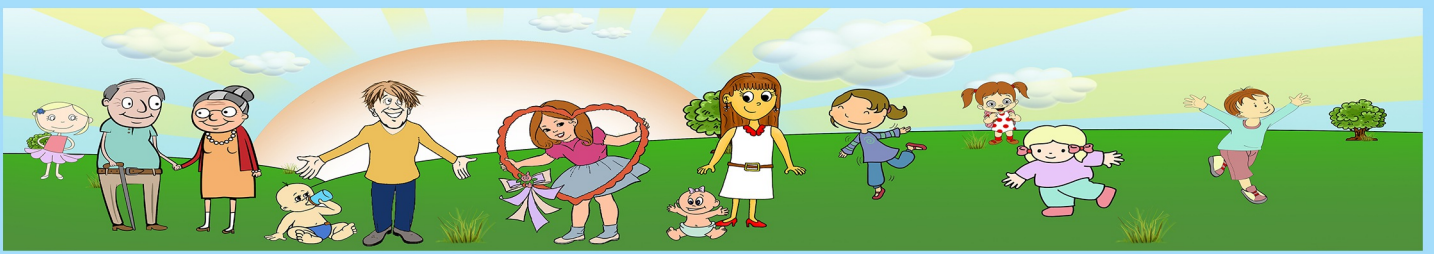

CHOIRS :

I'm coming to eat you
I'll get you with a snap
Chloe don't be afraid
Come sit upon my lap

So what shall we do now
Answered the wicked witch
The crocodile the wolf
That came out of the ditch
Should we let them take
A bite into Chloe
Should she be gobbled up
Because she's was naughty

CHOIRS :

Should we let them take
A bite into Chloe
Should she be gobbled up
Because she's was naughty
