

LADY TOASTY

There was once a lady named Toasty
In a palace made up of treats
All the walls were made up with candy
And the floors were made up with sweets
The bedroom was made
with fluffy whipped cream

CHOIRS : **The bed with cookies**
 The drapes of ice cream

She got married to her prince charming
Wore a hat of blueberry pie
With a scarf made of apple crumble
And his suit made with pecan pie
Gloves made with cupcakes
A belt made of fudge

CHOIRS : **Socks with caramel**
 And shoes of honey

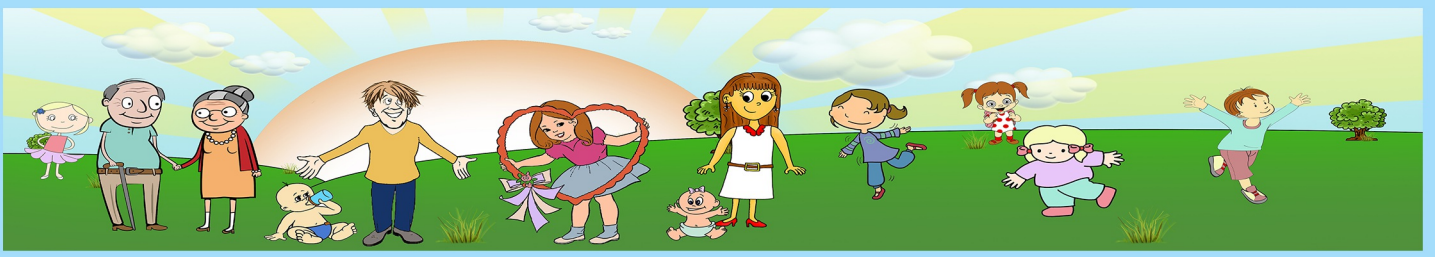

They had a daughter her name was Charlotte
Had a nose in marzipan
Beautiful teeth made of white chocolate
And her ears covered in jam
She made her own dress
And made a big mess

CHOIRS : **With butterscotch lace**
 And frills of cheesecake

Came along a very wicked witch
She was jealous of all the treats
Cast a spell and with a big swish
Palace melted into a stream

CHOIRS :

To build it again
Look in your kitchen
Take out all the sweets
The chocolates and treat
