

LET'S GO WALK IN THE WOODS

Let's go walk in the woods
While the wolf is out for good
If the wolf shows up
He will eat us up
If the wolf's not there
Then we do not care

CHOIRS : **Wolf is there**
 Can you hear
 Are you near

THE WOLF : **I'm putting my shirt on**

Let's go walk in the woods
While the wolf is out for good
If the wolf shows up
He will eat us up
If the wolf's not there
Then we do not care

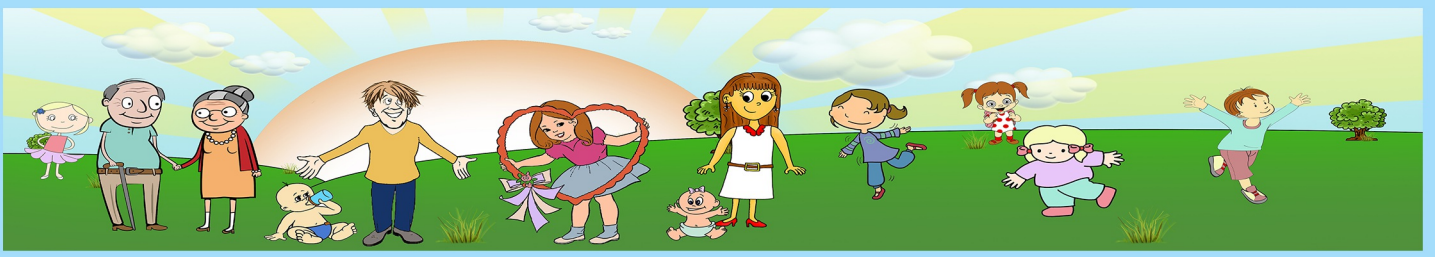

CHOIRS : **Wolf is there**
 Can you hear
 Are you near

THE WOLF : **I'm putting my socks on**

Let's go walk in the woods
While the wolf is out for good
If the wolf shows up
He will eat us up
If the wolf's not there
Then we do not care

Let's go walk in the woods
While the wolf is out for good
If the wolf shows up
He will eat us up
If the wolf's not there
Then we do not care

There you go
