

MUMMY DO LITTLE BOATS

CHOIRS : Mummy do little boats that go afloat
Have little legs

Of course my little son
If they had none
They couldn't run
Straight forward as they go
To sail around the world
But round and round they turn
And always end back home

CHOIRS : Mummy do little boats that go afloat
Have little tongues

Of course my little son
if they had none
they couldn't humm
And when you're big and tall
You'll sail across the world
And when you come ashore
You'll meet a pretty girl

CHOIRS : Mummy do little boats that go afloat
Have little wings

Of course my sweetie pie
So they can hide
up in the sky
And when you're big and tall
When your mummy you miss
Then you can come ashore
And give mummy a kiss

CHOIRS : Mummy do little boats that go afloat
Have little legs

Of course my little son
If they had none
They couldn't run
